Dear Mr. Weisensee:

This is a final response to your 6 March 2018 Freedom of Information Act (FOIA) request for **all CIA documents pertaining to Gestapo chief, Klaus Barbie.**

Please be advised that requests for records related to the Nazi War Crimes and Nazi Officials have been reviewed under the NAZI War Crimes Disclosure Act (NWCDA). The collection of records was transferred to the National Archives and Records Administration (NARA) to be made available to the public through NARA's NWCDA. For your information, our collection does not include the records from other agencies. Therefore, it is recommended that you submit your request to NARA at the following address:

Chief, Textual Reference Division
The National Archives at College Park
8601 Adelphi Road
College Park, MD 20740-6001

Additionally, records on this collection are also available on our website at www.cia.gov, go to Library, then select the FOIA Electronic Reading Room. There you should go to Frequently Requested Records, and once you are there select NWCDA. You will find instant access to, as well as printing of, a large collection of records that were declassified under this Act. Please be advised that the documents are best available copies.

Sincerely,

A handwritten signature in black ink, appearing to read "Allison Fong".
